

Resurrection above Jerusalem
by Elke Frommhold

Mthatha / Rome, Easter 2016

Dear Sisters,

This picture captures in one way or the other the “Drama of Love” as Pope Francis expressed in his General Audience on 23 March in St. Peter’s Square.

The silhouettes of Jerusalem in this picture remind us of the events in these days. In the midst of so much human suffering Pope Francis emphasized that *“the Easter Triduum is the memorial of a drama of love that gives us the certainty that we will never be abandoned in life’s trials.”*

The Pope also noted how Holy Thursday, Friday, and Saturday each represents God’s service, love, and silence, respectively, and that we, as His disciples, are called to live out these characteristics in our lives.

Let us take up the challenge to enter into the mystery of the Resurrection of our Lord in whom God’s unconditional Love unfolds – above Jerusalem wherever it might be in our world, in our communities, in myself. The power of new Life is stronger and brighter!

May we become stronger witnesses of this new Life and Light that embraces all!

Wishing you a Happy Easter with Blessings of Mercy,
Your

and the Sisters in the Generalate.
